📍 Vapi,Gujarat                                         👤 DOB : 03/11/2000   📞 +91 7990714432

Mobile Application Developer with 2 years of experience specializing in cross-platform development using Flutter. Proficient in building scalable and performant mobile applications for Android and iOS with a strong grasp of UI/UX principles, backend integration, and app lifecycle management. Experience spans across client interaction, project architecture, backend development, and app publishing. Passionate about continuous learning and adapting to new technologies.

## Experience

**Proactii Media LLP Pvt Ltd**                                                    *2023 – Present*

- Developed and deployed 5+ Flutter apps on App Store, Play Store, and Amazon Appstore.
- Managed complete app development lifecycle: design, development, testing, deployment, and post-launch support.
- Interacted with clients to gather requirements, finalize designs, and propose solutions.
- Designed intuitive user interfaces using Figma and implemented complex UI with Flutter.
- Integrated backend services using Node.js, or APIs provided by clients.
- Handled local storage using SharedPreferences and Hive, and implemented payment gateways like Stripe, Razorpay, and UPI (India).
- Integrated networking using http and Dio packages.
- Used Firebase and MongoDB for data management.

**Teachnook** - **Telengana (Internship)**                                          *2022 (Oct-Desc)*

- Gained hands-on experience building mobile apps, including a quiz app and an e-commerce app with a Firebase backend.
- Developed interactive quiz features, enhancing user engagement and learning outcomes.
- Integrated secure user authentication in the e-commerce app, ensuring user data protection and privacy.Mastered Flutter, Firebase, and UI/UX design through these projects, applying best practices and modern development techniques.

## Education

**Chandigarh University** - *Punjab,India*                                          *2021-2023*

- Master of Computer Applications (MCA)
- GPA: 6.98

**Savitribai Phule Pune University (SPPU)** - *Pune,India*                          *2018-2021*

- Bachelor of Computer Application (BCA)
- GPA: 6.9

## Skills

- Programming Languages: Dart, Kotlin,C, C++, Java, Node.js, Python, VB.NET, .NET
- Frameworks & Libraries: Flutter (Provider, GetX,Bloc), RESTful API
- Tools & Platforms: VS Code, Android Studio, Google Colab, MySQL, MongoDB ,Flask.
- Design: Figma, Miro, Xd
- Concepts: Data Structures and Algorithms (DSA), Database Management Systems (DBMS), Software Development Life Cycle (SDLC), Machine Learning (ML), Embedded Systems, Data Handling
- Problem Solving: Analytical thinking, debugging, optimization.
